Suggestions for improvements to this document are welcome. They may be submitted at <http://changerequest.x12.org>.

## 2 Authority

The committee rules of order and standing rules herein supplement related corporate and committee rules. The suite of corporate rules is identified with the prefix CAP. The Accredited Standards Committee (ASC) committee rules are identified with the prefix ASC. The rules detailed herein do not duplicate, supersede, contradict, countermand, or overrule other ASC rules or the corporate rules. In the case of any inconsistency between these rules and either the corporate rules or the committee's operating rules as defined in the *ASC Operating Manual (OPM, ASC01)*, these rules shall not prevail.

## 3 Background

ADP03 supplements the related corporate policy, *Committee Officer Elections (CAP09)*.

## 4 Election Schedule

Elections for the ASC Chair and Vice Chair positions will take place during the final Standing Meeting of odd-numbered years (herein referenced as the "Election Meeting").

## 5 Establishing the Nominating Committee

Each election will be overseen by a Nominating Committee. No later than June 15th of odd-numbered years, the ASC Chair will appoint a Nominating Committee of at least three people.

Nominating Committee appointees must be members of the Steering Committee or the X12 Board.

The Nominating Committee shall designate one appointee as the Nominating Officer. The Nominating Committee shall oversee the call for applications, determine the slate of candidates, and oversee the elections. The Nominating Officer shall work with staff to ensure timely completion of all procedural steps.

The Nominating Committee shall be automatically disbanded 30 days after the election unless there is an active protest or dispute related to the election or the election results.

## 6 Call for Applications

The Nominating Committee will approve and staff will distribute a call for applicants in accordance with the timing requirements herein. The application period will be at least 30 days. The call will clearly state the candidate criteria, selection criteria, the term of office, the election date and the deadline for applications. The call will include a link to an online application.

*Committee Officer Elections (CAP09)* establishes the candidate criteria.

## 7 Application Vetting

After the application deadline, the Nominating Committee will select the slate of candidates for each position. The Nominating Committee's deliberations are confidential and will not be disclosed to or discussed with any other group.

The Nominating Committee will determine an applicant to be qualified as a candidate based on the criteria established in *Committee Officer Elections (CAP09)*.

The slate will be made up of all applicants determined to be qualified as candidates. All applicants, including those not selected for inclusion on the slate, will be notified of the final slate before the slate is announced to the membership.

## 8 Announcing the Slate

At least 30 days prior to the Election Meeting, the Nominating Committee will approve and staff will distribute an announcement of the slate of candidates. The announcement will include the election date and time, the list of candidates with a link to the candidate statements, the term of office and the requirements for proxy assignment with a link to the proxy assignment web form. For consistency, the proxy assignment form used for other member ballots will be utilized with no revisions to policy or presentation.

## 9 The Election

The Nominating Officer will ensure all materials required for the election are prepared in advance and available at the election. Staff members may be designated to assist with this task.

The Nominating Officer will conduct each election, starting with the election of the ASC Chair. The Nominating Committee and the Policies and Procedures Task Group Chair will tabulate the ballots. Staff members may be designated to assist with this task. The Nominating Officer will have the final decision on any issues related to the execution of the election.

Once a winner is determined for the Chair position, any candidate on the Vice Chair slate who represents the same organizational member shall be disqualified.

If no candidate receives a simple majority of votes cast excluding abstentions, the following process will be repeated until one candidate receives a simple majority.

The candidate(s) receiving the least votes are eliminated, if more than one candidate receives the same least number of votes they are all eliminated unless doing so results in only one remaining candidate. In addition, any candidate may withdraw their name from the run-off ballot at will. In such case, all candidates are retained. A run-off ballot is conducted with the remaining candidates. The run-off is evaluated as follows:

- If one candidate receives a simple majority of the votes cast, excluding abstentions, they are declared the winner.
- If no candidate receives a simple majority of the votes cast, the candidate(s) receiving the least votes are eliminated and another run-off ballot is conducted with the remaining candidates.

Run-off votes continue until one candidate receives a simple majority of the votes cast, excluding abstentions.

When voting is complete, the Nominating Officer will announce the election results and inform the assembly that any dispute concerning the election must be submitted in writing to the Nominating Officer within 15 days.

## 10 Assuming Office

The newly elected officers will assume office upon adjournment of the final Procedures Review Board (PRB) session of the Election Meeting.
