

ASC Policies and Procedures Task Group

Purpose and Scope Statement

The ASC Policies and Procedures Task Group (P&P) is chartered to make recommendations to the Steering Committee concerning the policies and procedures of the Accredited Standards Committee (ASC). All actions of P&P are subject to review and approval by the Steering Committee.

P&Ps scope includes the following responsibilities and activities:

- Overseeing maintenance of ASC policies and procedures
- Interpreting ANSI policies and procedures as these relate to ASC operations
- Coordinating the membership balloting process with staff
- Assisting ASC groups with understanding and use of the ASC policies and procedures
