1 Preamble

1.1 Introduction

The Accredited Standards Committee (ASC) Steering group (Steering) is responsible for this policy and associated procedures.

Members agree to be bound by these policies and to follow the associated procedures as a condition of membership. Non-member participants afforded specific collaboration privileges agree to be bound by these policies and to follow the associated procedures as a condition of those privileges.

Suggestions for improvements to this document are welcome. They may be submitted at <http://changerequest.x12.org>.

1.2 Authority

The committee rules of order and standing rules herein supplement related corporate and committee rules. The suite of corporate rules is identified with the prefix CAP. The Accredited Standards Committee (ASC) committee rules are identified with the prefix ASC. The rules detailed herein do not duplicate, supersede, contradict, countermand, or overrule the corporate rules or ASC committee rules. No accommodation is intended or provided to allow a subordinate group to override a corporate or committee policy or procedure with a more permissive requirement. In the case of any inconsistency between these rules and either the corporate rules or the committee's operating rules as defined in the **ASC Operating Manual (ASD01)**, these rules shall not prevail.

1.3 Name/Formation

The Supply Chain Subcommittee (X12M) was formed on May 10, 2005.

1.4 Purpose and Scope

X12M's purpose and scope statement is articulated in **X12M Purpose and Scope (ASC80)**.

2 Amendments to this Constitution

All proposed amendments to this constitution must be in accordance with **Approving Constitutions and Charters (ADP05)**. To this end, the subcommittee may seek input or advice from the Policies and Procedures Task Group (P&P) at any time during the development of such amendments.

Proposed amendments to this constitution must be distributed to subcommittee constituents at least fourteen (14) calendar days prior to a vote on the amendments.

Upon approval by at least two-thirds (2/3) of the X12M stakeholders, proposed amendments shall be reviewed by P&P and approved by Steering. Following Steering approval, the X12M chair will coordinate with X12 staff to ensure the approved version is posted on X12 websites.

3 Stakeholders and Constituents

X12M is open to any X12 member with a material interest in the functions defined in the X12M Purpose and Scope.

X12 members who meet the specific requirements defined in **Section 3.1 Requesting Recognition as a Stakeholder** may request and be granted recognition as an X12M stakeholder. X12M stakeholder recognition resides with the member, not with the member's representatives. Once the X12 member is recognized as an X12M stakeholder, the X12 member's representatives are eligible for recognition as an X12M constituent based on the requirements defined below. Each X12M stakeholder is entitled to one vote in X12M ballots, regardless of the number of X12M constituents the stakeholder names. Each of the stakeholder's X12M constituents has the right to speak in meetings, participate in collaboration activities, propose and second motions, and hold X12M offices.

An X12M stakeholder must meet the requirements defined in **Section 3.2 Maintaining Recognitions as a Stakeholder** to continue to be recognized as an X12M stakeholder.

3.1 Requesting Recognition as a Stakeholder

The following requirements must be met for an X12 member to be recognized as an X12M stakeholder.

- The X12 member shall have a material interest in the functions defined in the X12M Purpose and Scope.
- One of the X12 member's representatives shall have participated as an observer in X12M sessions at two consecutive Standing Meetings. When the X12 member is recognized as an X12M stakeholder, the representative who met the participation requirement shall be recognized as the stakeholder's X12M constituent.
 - Exception: If a member representative changes employment or otherwise ceases to represent one X12 member and commences representing another X12 member, previous attendance as an X12M constituent may substitute for participation as an observer.
- The X12 member's primary representative shall complete the X12M Stakeholder Application at <http://www.x12.org/forms/>

- The X12M chair shall forward the petition to the X12M secretary for processing. The X12M secretary shall work with X12 staff to verify the accuracy of the petition. Upon verification that all requirements are met, the X12M secretary shall inform the X12M chair and the requester that the X12 member is recognized as an X12M stakeholder. The X12M secretary shall also update the appropriate X12M records.

3.2 Maintaining Recognition as a Stakeholder

The following requirements must be met to retain recognition as an X12M stakeholder.

- An X12M constituent of the stakeholder shall participate in at least two (2) of every three (3) X12M meetings, and
- An X12M constituent of the stakeholder shall participate in at least one (1) of every three (3) of X12M's online collaborations, if applicable.

Failure to meet the above requirements shall be considered as the stakeholder's resignation.

3.3 Resigning as a Stakeholder

An X12 member desiring to resign as an X12M stakeholder shall have their primary representative email x12m-chair@x12.org, noting their request to be dropped as an X12M stakeholder. Upon verification that the request was submitted by the X12 member's primary representative, the request shall be honored.

A stakeholder who has resigned may petition for stakeholder status again by meeting the requirements of **Section 3.1 Requesting Recognition as a Stakeholder**.

3.4 Additional Stakeholder Constituents

If another member representative of an X12M Stakeholder desires recognition as an X12M constituent, they shall meet the following requirements.

- Have participated as an observer in X12M sessions at two consecutive Standing Meetings.
- Complete the X12M Constituent Application at <http://www.x12.org/forms/>

Constituent recognition will be effective upon confirmation by the X12M secretary.

3.5 Maintaining Recognition as a Constituent

To retain recognition as an X12M constituent, the constituent shall:

- Participate in at least two (2) of every three (3) X12M meetings, and
- Participate in at least one (1) of every three (3) of X12M's online collaborations, if applicable.

Failure to meet the above requirements shall be considered as the constituent's resignation. If a constituent is deemed to have resigned, the X12M chair shall notify the X12M stakeholder's primary representation of the resignation and request that the stakeholder assign a new X12M constituent. Once the participation criteria are met, the primary representative shall complete the appropriate form at <http://www.x12.org/forms/>. The new assignment will be effective upon confirmation by the X12M secretary.

3.6 Reassigning Constituent Status

An X12M stakeholder can at any time change their X12M constituent. The new constituent shall have participated as an observer in X12M sessions at two consecutive Standing Meetings. Once the participation criteria are met, the primary representative or the current X12M constituent shall complete the appropriate form at <http://www.x12.org/forms/>. The change will be effective upon confirmation by the X12M secretary.
