

X12N/TGA/WG1 - Regulation Advisory/Collaboration

Purpose

The X12N Project Management Office (TGA) Regulation Advisory and Collaboration Work Group 1 (WG1) reports to the Project Management Office Task Group.

This group is responsible for:

- Writing and executing the policies, procedures, and processes necessary to keep X12's Insurance Subcommittee (X12N) synchronized with insurance activities: e.g., relations with other Designated Standards Maintenance Organizations (DSMO)
- DSMO change request processing
- NPRM technical comment questions and responses
- Regulatory compliance

Scope

The Work Group shall adhere to the applicable X12 Organization and Procedures Manual, Standing Documents, and X12N procedures. The highest level documents of X12 and X12N shall govern in the event of conflict.

The Work Group's principal responsibilities are to:

- Directly support activities of the Subcommittee, its task groups, its work groups, and its management teams.
- Disseminate information to both members and non-members of X12N, enabling them to be aware and/or participate in these activities within the industry.
