

X12N/TGB/WG15 – Provider Information

Purpose

The X12N Business Task Group (TGB) Provider Information Work Group 15 (WG15) reports to the Business Task Group.

The group is responsible for:

- The development and maintenance of business requirements for the creation and maintenance of data standards for provider information.

Scope

The Work Group shall adhere to the applicable X12 Organization and Procedures Manual, Standing Documents, and X12N procedures. The highest-level documents of X12 and X12N shall govern in the event of conflict.

The Work Group's principal responsibilities are to:

- Support the transactional exchange of provider information, including:
 - application to or registration with a health plan
 - provider directory
 - provider credentialing
 - provider validation
 - application for EDI enrollment
- Support other transactions for the purpose of maintaining provider databases.
- Review change requests for workgroup applicability and prioritization in conjunction with TGA.
- Capture and finalize business requirements for the development and maintenance of Technical Report 3 documents.
- Submit detailed business requirements to TGC.
- Validate that the technical solution, presented by TGC, meets WG15 business requirements.
- Review and approve the TR3 to move forward.
