

X12N/TGC/WG3 – Solution Development Group

Purpose

The X12N Technical Task Group (TGC) Solution Development Work Group 3 (WG3) reports to the Technical Task Group.

The group is responsible for:

- Identifying, and documenting technical solutions for all X12N work group change requests.
- Coordinating with X12N business work groups on all change requests.
- Entering technical solutions into OnlyConnect.
- Coordinating with the Technical Design work group (WG4) when DM/CMR may be required to complete a change request.

Scope

The Work Group shall adhere to the applicable X12 Organization and Procedures Manual, Standing Documents, and X12N procedures. The highest-level documents of X12 and X12N shall govern in the event of conflict.

The Work Group's principal responsibilities are to:

- Develop technical solutions for change requests and review with business work groups for sign-off.
 - Enter technical solutions for change requests into OnlyConnect.
 - Maintain an inventory of all technical solutions for each change request. This includes information pertaining to, but not limited to:
 - Technical Report Type 2
 - Technical Report Type 3
