

# X12N/TGC/WG7 – EDI Acknowledgments

## Purpose

The X12N Technical Task Group (TGC) EDI Acknowledgments Work Group 7 (WG7) reports to the Technical Task Group.

The group is responsible for:

- Developing and maintaining electronic data interchange standards related to the business of insurance transaction acknowledgments.

## Scope

The Work Group shall adhere to the applicable X12 Organization and Procedures Manual, Standing Documents, and X12N procedures. The highest-level documents of X12 and X12N shall govern in the event of conflict.

The Work Group's principal responsibilities are to:

- Be concerned with information related to acknowledgment of insurance transaction sets.
- Gather the business requirements for the development of Industry Implementation Guides and Technical Reports Type 2 and 3, based on X12 approved transaction standards. These include but are not limited to the Application Reporting (824) TR3 and Implementation Acknowledgment (999) TR3.
- Data maintenance related to the above work products
- Actively coordinate with entities that develop acknowledgment transactions, usage guidelines and code sets. Entities include but aren't limited to the X12C Communications and Controls Subcommittee, X12F Finance Subcommittee, and other X12N Insurance Task Groups and Work Groups.
