

X12N/TGB/WG22 – Health Care Data Reporting

Purpose

The X12N Business Task Group (TGB) Enrollment Information Work Group 22 (WG22) reports to the Business Task Group.

This group is responsible for:

- Developing and managing the business requirements for post-adjudicated claims reporting, health care service data reporting, and member data reporting

Scope

The Work Group shall adhere to the applicable X12 Organization and Procedures Manual, Standing Documents, and X12N procedures. The highest-level documents of X12 and X12N shall govern in the event of conflict.

The Work Group's principal responsibilities are to:

- Create and maintain business requirements to support the development of Industry Technical Reports.
- Coordinate change requests and business requirements with other Task Groups and Work Groups.
- Validate that business requirements are met in the technical solution developed by Task Group
