

X12-01 Parliamentary Subcommittee Mission

The Parliamentary Subcommittee (PSC) operates within the Registered Standards Committee and is responsible for ensuring the RSC and all its groups comply with corporate policies and procedures, for ensuring due process within the RSC, and for the maintenance and coordination of committee and subordinate group policies and procedures.

As such, the PSC shall advise the Council on parliamentary, policy, and procedural matters, shall develop and maintain committee policies and procedures, shall coordinate with staff on stakeholder ballots related to committee policies and procedures, shall advise RSC groups related to the development and maintenance of subordinate group policies and procedures, shall have final approval of all subordinate group policies and procedures, and shall investigate due process complaints related to committee activities.
